Established in the year 1994, Jerai Fitness Ltd. is proud to have become a market leader in the Indian Fitness Industry with three decades of experience. Our aim is to be able to provide quality and affordable fitness solutions to all sectors of society. Through the Fit India Movement, we strive to foster health and wellness to everyone around the country to the best of our capacity.

Our vision is to deliver well-designed, biomechanically accurate fitness equipment of the highest standards, and we achieve this through a fully automated manufacturing process that assures safety and quality. With the help of Japanese production infrastructure and a great team of in-house engineers and experts we fulfill this vision. We take pride in the extensive range of equipment we have to offer and the service we deliver through our sales and after-sales teams.

The organization proudly adheres to the Make In India movement and thereby helps promote a better standard of living for all. We sponsor National and International Bodybuilding championships and take an active part in exhibitions and other platforms. Jerai Fitness not only boasts showrooms and offices PAN India but also extends itself globally by maintaining a presence in over 35 countries.

Jerai Fitness has set a benchmark for integrity and ethics, whilst setting the highest standards for design, quality, service and innovation.

PROTON

SERIES

***The Proton Series** is designed for luxury gyms, boutique studios, and elite training spaces. Built with high-grade materials, it offers superior safety, style, and durability. Rooted legacy of innovation, the Proton Series transforms strength training into an elegant, high-performance experience.*

NEW **CLUBLINE** **SERIES**

The New Clubline Series combines modern design with reliable performance, making it an ideal choice for commercial gyms, institutional centers, and mid-tier training facilities. With intuitive adjustments and signature safety features, it ensures a comfortable and functional user experience—delivering exceptional quality, durability, and long-term value.

MADE IN INDIA

LOAD-ON SERIES

The Load On Series redefines plate-loaded training with a focus on structure, style, and precision—built for athletes who prefer the raw feel of free-weight resistance. Ideal for high-performance centers, sports clubs, and strength zones, each unit features reinforced loading areas, precision pivot points, and guided movement paths for a powerful, efficient training experience.

JX-4 WAY RIG
JX4WR

- 📏 L : 156 inches / 396 cms
- W : 86 inches / 218 cms
- H : 108 inches / 274 cms

The fully redesigned JX-Fit 4Way Rig, Standard Edition, introduces a wide range of new features, including various wide range color options. The durability of JX-fit is unmatched and the rig comes in 75mmX75mm/11 gauge steel. All the pin positions are numbered with lazer cut key holes for max add ons and attachments. You can also incorporate various compatible JX-Fit Series accessories, from safety catch arms, plate storage options, landmines and many more. The JX-Fit Rig Standard sizes are 2, 4, 6 and 8 squat/benches stations and 6-14 pull up stations.

JX-MOUNTAIN RIG
JXMR

- 📏 L : 288 inches / 731 cms
- W : 72 inches / 183 cms
- H : 108 inches / 274 cms

The JX-Fit Mountain Rig combines the strength and versatility of our standard JX-Fit 24' with one of the staples of military boot camp training. From one end of the rig to the other, we have created a 24 monkey bar escalating in height toward the center section of the unit.

JX-4' WALL UNIT

JXWU

- 📏 L : 48 inches / 122 cms
- 📏 W : 72 inches / 183 cms
- 📏 H : 108 inches / 274 cms

The JX-Fit Wall mount unit is designed in 75mmX75mm/11 gauge steel frames. The JX-Fit Wall units are available in 4 different lengths (10', 14', 20', 24') these units need to be installed by anchoring the units to the floor and to Solid walls.

JX-CUSTOMIZE WALL UNIT

JXWUS

- 📏 L : Customizable
- 📏 W : 72 inches / 183 cms
- 📏 H : 108 inches / 274 cms

JX-Fit Racks are completely customised to fulfill the demands of all the athletes, Bodybuilders and for CrossFit boxes. The JX-Fit Racks comes with standard specifications of 75mmX75mm/11 gauge tubes. We do provide various multiple attachments for bar holders and weight plate holders.
